

AUTOMATICALLY CHECK-IN USING THE DRIVER APP

Delivery Experts will now be automatically checked back in from deliveries when returning to stores when using the Driver App.

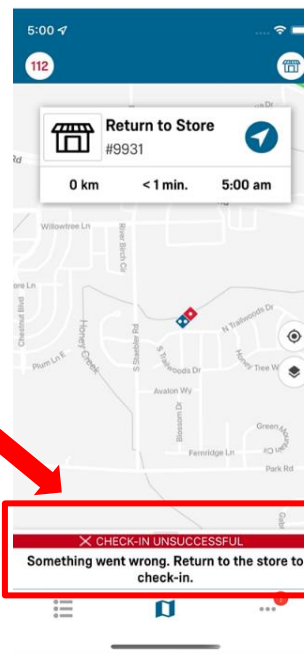

Successful Check-in

You will receive a **“Welcome Back”** popup with a message displaying if there are deliveries assigned to you or not.

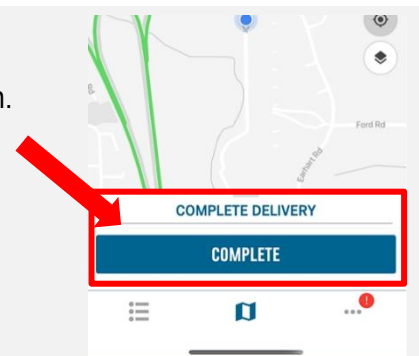

Unsuccessful Check-in

If the check-in was unsuccessful, you will receive an error message. **“Return to the store to check-in”**.

Note –

- Delivery Experts can still use the Delivery Dashboard or Pulse to check-in.
- The ‘Auto Check-In’ feature will only occur if all delivery orders have been completed within the Driver App **BEFORE** a Delivery Expert returns to the store.
- Auto Check-In can be turned ON/OFF in OSIM under ‘Driver Check-In’.

NOTICE TO FRANCHISEES AND THEIR EMPLOYEES: These materials contain information related to optional technologies and business practices. As independent business owners, franchisees may use or not use these optional technologies, business practices, and materials in their sole discretion. Franchisees must determine the policies, procedures, and practices to be implemented in their stores regarding the issues addressed in these materials and must ensure compliance with applicable federal, state, and local laws. Franchisees are solely responsible for the operation of their stores including, without limitation, employment and pay practices, safety and security matters, and other workplace issues. The persons who work in stores owned and operated by a franchisee are employees of the franchisee, and not employees of Domino's Pizza LLC or its affiliated entities. These materials are for general informational purposes only and do not, and are not intended to, constitute legal advice. By providing these materials, Domino's Pizza LLC and its affiliated entities.

These materials also contain information related to optional functions of the Domino's Pulse system. As independent business owners, franchisees may use or not use these optional Pulse functions in their sole discretion. Any information generated by these optional Pulse functions is only as accurate as the information franchisees elect to input into their Pulse system and franchisees must confirm the accuracy of the information. The Pulse system is neither intended nor able to be utilized as a payroll system; franchisees should utilize a qualified third-party payroll vendor solution and/or an accounting service provider to perform such services and should also consult with their own legal counsel. Franchisees must determine the policies, procedures, and settings that need to be implemented in their stores to ensure that their use of these optional Pulse functions complies with all applicable legal requirements.

REMEMBER: Estimated Average Delivery Time (“eADT”) and estimated Extreme Deliveries use a third-party web mapping service to estimate the time it should take to complete a delivery. Actual time on the road has no impact and there is nothing personnel making a delivery can do on the road to impair or improve these estimates. Personnel making a delivery should always operate a vehicle/bicycle safely and observe all applicable traffic laws when on the road.
